RECOGNIZING STAPLES HIGH SCHOOL'S "WE THE PEOPLE" TEAM

HON. JAMES A. HIMES

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. HIMES. Madam Speaker, I rise today to recognize the first-place finish of Staples High School students in Connecticut's We The People: The Citizen and the Constitution competition.

In the Constitution State, we take our obligation to the values and principles laid out in our founding document seriously. The We The People program helps students develop an in-depth understanding of the Constitution by building their civic and research skills and testing their knowledge about how our government works.

Ensuring a better future for Southwest Connecticut will require that our students be able to articulate a vision for our country that reflects the basic principles underlying the Constitution. Staples High School's We The People team's success is proof that these guiding values will be carried on by future generations.

Staples High School joins the ranks of several state champions stemming from the Fourth Congressional District. In April, Staples will compete in the National Finals in Washington, D.C., against teams from across the country.

Madam Speaker, I ask that you join me in congratulating the following students: Surya Balaji, Taha Banatwala, Lucy Belknap, Brian Campbell, Violet Cooper, Lars Djuve, Michael Farnen, Dylan Goodman, Grace Katz, Kashvi

Kumar, Brett Levy, Gary Lu, Natalia Maidique, William Matar, Tadeo Messenger, Neha Navrange, Maximus Pace, Samuel Powell, Claire Redmer, Andrew Spangler, Nicholas Suarez, Rachel Suggs and Samantha Webster.

I join the Westport community and Fourth Congressional District in recognizing these students, along with their teacher Suzanne Kammerman, on this accomplishment.

RECOGNIZING MEGAN LYNCH ON HER RETIREMENT

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. SWALWELL of California. Madam Speaker, I rise to recognize Ms. Megan Lynch on her retirement from the Eden Township Healthcare District (District) Board of Directors on February 20, 2020.

Megan has long held a passion for public health and welfare, from as early as her role as a kitchen aide at the Eden Medical Center during her college years. She earned a bachelor's degree in integrative biology at the University of California, Berkeley, and in 2015 earned a master's degree in health care administration from the California State University, East Bay.

Much of Megan's fantastic work has been with healthcare provider Kaiser Permanente. As part of its Delivery System Strategy team, she has risen through the ranks over the past five years, serving as an associate planning manager since 2018. Megan also was selected to complete Kaiser Permanente's Northern California Region's Emerging Leaders Development Program that year, a testament to her strong leadership and dedication to the well-being of the community.

Megan's work to promote the health of her neighbors has not been restricted to her roles with Kaiser Permanente. Since 2016, Megan has served on the board of directors for the Eden Township Healthcare District (ETHD), and as its vice chair in 2019. On that board, she was instrumental in helping steer ETHD away from possible dissolution by the Local Agency Formation Commission in Alameda County, and as chair of ETHD's Community Health Advisory Committee.

Meanwhile, Megan has served as the third vice president at the Eden Medical Center Auxiliary, and in 2019 as a member of the Davis Street Family Resource Center's board of directors, helping its vision to provide integrated services to improve the quality of life in the Eden Area. In her spare time, Megan also volunteers at CityTeam Oakland to help those experiencing homelessness and poverty or suffering hunger and addiction.

Stepping down from her position with ETHD, Megan is preparing to fulfill her dream to become an emergency medicine physician by entering medical school this summer. I wish

her all the best as she prepares for her studies, and I know that she will continue to be a strong advocate for local healthcare.

HONORING THE LIFE OF JOE
TAMAYO

HON. ANDY KIM

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. KIM. Madam Speaker, I rise today to honor the life of a great American and prominent leader in the veteran community in Burlington County, Joe Tamayo.

Joe Tamayo's life was defined by his service to his country, his community, and those in need. Joe was drafted into the Army to fight in the Korean war, where he served five tours and earned a Purple Heart for wounds received in combat during the battle of Pork Chop Hill. After he left Korea, Joe served two tours of duty in Germany, as well as a tour in Vietnam, before eventually returning to the United States on assignment at Fort Dix, New Jersey.

In addition to his Purple Heart, throughout his time in the Army Joe received a number of awards and decorations, including the Bronze Star with "V" for Valor, a Combat Infantry Badge, a National Defense Service Medal, and an Armed Forces Expeditionary Service Medal. After twenty-two years of service to his country, Joe retired from active duty in 1973.

Despite his retirement, Joe continued to seek out ways to serve his community and care for those in need. Joe focused his energy on troubled youth and took a position working at the New Jersey Children's Home in Mt. Holly, New Jersey. For thirty years at the Children's Home, Joe worked to instill a sense of pride, self-respect, discipline and self-worth in his students.

After retiring from his work with the Children's home, Joe continued to be an active member of several Veteran Service Organizations including the Veterans of Foreign Wars, Purple Heart Association, American Legion, Disabled American Veterans, Vietnam Veterans of America, and the 24th Infantry Regiment Combat Team Association, otherwise known as the Buffalo Soldiers. Throughout his life after his time in the military, Joe maintained his commitment to service and helped to support his fellow veterans in Burlington County.

Joe Tamayo's story is a reminder to all of us that our veterans make incredible sacrifices not just to defend our nation, but also to support our communities and those most in need. I thank Joe for his lifetime of service to our nation and offer my deepest condolences to his family and friends.

HONORING THE LIFE OF
CHRISTOPHER MICHAEL ALLEN

HON. MICHAEL GUEST

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. GUEST. Madam Speaker, I would like to honor the memory of Christopher Michael Allen, who passed away at the age of 47 in his home in Jackson, Mississippi, on March

28, 2019, while surrounded by his family and friends. Chris dedicated much of his attention to raising his three daughters, Anna Leigh, Addy Katherine, and Mills, was an avid Ole Miss sports fan, and loved attending sporting events with friends.

Chris also enjoyed spending time with his many friends and loved ones and was known as a loyal friend. A close companion of Chris once said that every one of his friends has thought of Chris Allen as their best friend at one time or another. Chris used his smile, humor, and kind heart to comfort those around him and to create joy in those who shared his company. His family and his friends viewed his company as a blessing.

Earlier last year, Chris was diagnosed with progressive multifocal leukoencephalopathy (PML), a rare viral brain disease that never impacted Chris's desire to care for his loving family and close friends. He is survived by his daughters, Anna Leigh Allen, Addy Katherine Allen, and Mills Allen; their mother Leigh Ann Allen; his mother, Debbie Allen; siblings Robby Allen (Ashley) and Brooke Chandler (Chan); and a multitude of extended family and friends who continue to remember the joy he brought to their lives.

INTRODUCTION OF THE DISTRICT OF COLUMBIA CHIEF FINANCIAL OFFICER SALARY HOME RULE ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Ms. NORTON. Madam Speaker, today, I introduce the District of Columbia Chief Financial Officer Salary Home Rule Act, which would give the District of Columbia the authority to raise the pay of its Chief Financial Officer (CFO). There is no reason the District should not have the authority to set the pay of every local official who is paid with local funds, as a matter of its existing home-rule authority.

In 2013, Congress enacted a law that gave the District more authority to set the CFO's pay. However, Congress did not give D.C. full and complete authority over this local matter. This bill would give D.C. the authority to set the CFO's pay commensurate with its best judgment based on factors such as comparisons with similar positions elsewhere, the competitive market, and other factors generally used in determining pay. I was able to get at least some needed change in 2013 by amending the Home Rule Act to change the CFO's salary from a fixed rate of pay that was tied to a federal pay schedule to a maximum allowable pay, or ceiling, tied to a federal pay schedule. That ceiling was and is substantially higher than the fixed rate. However, D.C. should have full control over setting the salaries of its own employees.

I introduced the 2013 bill after a D.C. CFO search committee indicated that the fixed rate of pay was not high enough to attract the best talent needed for this complex and demanding job. The responsibilities of the CFO, a position created by Congress, are unique in the United States. The CFO is extraordinarily powerful and independent. The District cannot obligate or expend funds without the CFO's approval, and the CFO can be terminated only "for cause." My bill would not allow the CFO's salary to be lowered and maintains the "for cause" termination provision, so as to preserve the independence of the position. The District needs the authority to pay the rate necessary to retain and attract the best CFOs, especially since the District must compete with the private sector for highly qualified CFOs.

This is an important step to increase necessary home-rule authority for the District, and I urge my colleagues to support this bill.

RECOGNIZING NANCY MARTIN ON
HER RETIREMENT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Ms. DeLAURO. Madam Speaker, I rise today to recognize and congratulate Nancy Martin who plans to retire next month after nearly 43 years of service to the federal government.

After growing up in the Chicago suburb of Arlington Heights in Illinois, Nancy earned an Associate of Arts degree from Cottey College in Nevada, Missouri and a Bachelor of Arts degree from the American University in Washington, DC. Nancy's career as a civil servant began at the Veteran's Administration in 1977. Less than a year later, she accepted a job at what was then called the Office of Education in the Department of Health, Education, and Welfare. She helped with the transition team during the creation of the Department of Education as a separate Cabinet agency in 1980. She has shaken hands with every U.S. Secretary of Education.

In 1987, Nancy joined the Department of Education's Budget Service. Over the past 33 years, Nancy has been involved in the formulation and presentation of the President's Budget and related documents and tables and is the lead in the development of the annual Congressional Budget Justifications. I thank Nancy for her dedication to the Department and its mission to foster educational excellence and ensure equal access.

Nancy has been an indispensable resource to the Subcommittee on Labor, Health and Human Services, Education and Related Agencies, which I chair. In addition to her expertise in the budget process, she has always approached our technical assistance needs with the utmost professionalism and attention, providing the support necessary for us to craft Department of Education appropriations bills. For that I am deeply grateful.

Nancy's dedication to public extends outside of the Department of Education. She served as a volunteer and docent with the Friends of the National Zoo for over 20 years and currently serves on the board of an organization that connects our Nation's military veterans with shelter animals.

We will feel the void left by her retirement going forward. I thank Nancy for her service and congratulate her on her upcoming retirement.

RECOGNIZING GOVERNOR BRAD
LITTLE

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. SIMPSON. Madam Speaker, I rise today to recognize an Eastern Idaho Agriculture Hall of Fame inductee, Governor Brad Little.

Governor Brad Little has been a champion for agriculture his entire life. His advocacy started while being raised on his family's Emmett, Idaho sheep and cattle ranching operation. Later in life, Little became a public servant and continued to protect and advance the agriculture industry in the Idaho State Senate then as Idaho's Lieutenant Governor and currently as Idaho's Governor.

In 1977, Little graduated with an Agribusiness Degree from the University of Idaho. He went on to work on his families ranching operation. With over three decades of managing the farming and ranching, our Governor is a leader who understands what it takes to be successful in agriculture.

In 2001, Little began his public service career when he was appointed to fill an Idaho State Senate seat. In the senate, he focused on the agricultural affairs, resources and environment, and economic outlook. As a member of these committees, Little played a substantial role ensuring the security and increasing productivity of farms and ranches across Idaho. He went on to become both Idaho's Lieutenant Governor and Governor where he has continued to promote and defend agriculture in Idaho.

Whether he is meeting with the President in the White House or a neighbor on his family farm in Emmet, he can be found wearing cowboy boots, and demonstrating a commitment to hard work and integrity. Governor Little is a proud voice for Idaho and our agriculture community, and I am honored to call him a friend.

Madam Speaker, I would like to join the Eastern Idaho agriculture community in congratulate Governor Brad Little on being inducted into the 2020 Eastern Idaho Agriculture Hall of Fame.

ABORTION RIGHTS AND JUNE
MEDICAL SERVICES LLC V. RUSSO

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Ms. JACKSON LEE. Madam Speaker, I thank my colleague, Congresswoman LAWRENCE of Michigan for anchoring this very important Special Order to affirm our unequivocal

opposition to any effort to turn the clock back or to limit or undermine women's right to make their own choices regarding their reproductive healthcare.

The United States Supreme Court ruled over 40 years ago, in *Roe v. Wade* (410 U.S. 113 (1973)), that a woman's constitutional right to privacy includes her right to abortion.

Since this landmark decision, abortion rates and risks have substantially declined, as have the number of teen and unwanted pregnancies.

Restricting all access to reproductive and women's health services only exacerbates a woman's risk of an unintended pregnancy and fails to accomplish any meaningful overthrow of *Roe v. Wade*.

In recent years, state policymakers have passed hundreds of restrictions on abortion care under the guise of protecting women's health and safety. Fights here in Congress have been no different.

In my state of Texas, a law that would have cut off access to 75 percent of reproductive healthcare clinics in the state was challenged before the U.S. Supreme Court in 2014 and 2015.

On October 2, 2014, the Supreme Court struck down as unconstitutional a Texas law that required that all reproductive healthcare clinics that provided the full range of services would be required to have a hospital-style surgery center building and staffing requirements.

This requirement meant that only 7 clinics would be allowed to continue to provide a full spectrum of reproductive healthcare to women.

Texas has 268,580 square miles only second in size to the state of California.

The impact of the law in implementation would have ended access to reproductive services for millions of women in my state.

In 2015, the State of Texas once again threatened women's access to reproductive health care when it attempted to shutter all but 10 healthcare providers in the state of Texas.

The Supreme Court once again intervened on behalf of Texas women to block the move to close clinics in my state.

It seems every month we are faced with a new attack on women's access to reproductive health care, often couched in those same terms.

If opponents were so concerned about women's health and safety, they would be promoting any one of the number of evidence-based proactive policies that improve women's health and well-being.

Instead, they are continuing their assault on women's constitutional rights and their campaign to outlaw abortion.

That is their number one priority; it is certainly not about protecting women's health, it is about politics.

The consequences of these efforts are often felt most acutely by people who already face barriers to care, including communities of color, young people, LGBTQ people, and people with low incomes.

For the first time since Justices Brett Kavanaugh and Neil Gorsuch were seated on the Supreme Court, and this morning the Court heard oral arguments in *June Medical Services LLC v. Russo*, a case that could render the protections of *Roe v. Wade* virtually meaningless, paving the way for states to effectively ban abortion for over 25 million people of reproductive age.

During 2019 state legislative sessions alone, more than 300 anti-abortion bills were introduced, and 58 restrictions were enacted—nearly half of which were abortion bans.

Right now, six states are pushing for anti-abortion constitutional amendments.

There are five states in the nation that already have only one abortion provider.

This President has packed the courts in unprecedented and extraordinary ways.

Nearly 200 Trump-appointed judges now occupy lifetime positions on the federal bench, many with extreme records hostile to reproductive health and rights, and are poised to make decisions about our reproductive rights and health for a generation.

And these fights go beyond abortion.

The administration's domestic gag rule forced Planned Parenthood and other health care providers out of Title X, the nation's only program dedicated to affordable birth control and other reproductive health care.

The move jeopardized health care for Title X's four million patients, 40 percent of whom received care at Planned Parenthood health centers prior to the rule.

Last month, the administration approved Texas' request to implement a Medicaid family planning program that bars patients from accessing care at Planned Parenthood.

When Texas first barred Planned Parenthood from serving patients, nearly 40 percent fewer women got the health care they needed.

This sets a dangerous precedent for other states, which could now pursue similar state-level measures with grim consequences for health care access nationwide.

Madam Speaker, this is not what the American people want.

Support for abortion access is at an all-time high; nearly 80 percent of Americans do not want to see *Roe v. Wade* overturned.

There is no state in the nation where making abortion illegal is popular.

The American people want more access to health care, not less, and it is more critical than ever to see through this inflammatory misinformation campaign.

Madam Speaker, the right to make decisions about reproductive health care, including abortion, is central to individual equality.

The right enables a person to decide if, when, and how to start and grow their family.

It enables people to pursue and advance in their education and employment, and to be full and equal participants in society.

Laws that restrict reproductive freedom, including restrictions on abortion and birth control, perpetuate harmful stereotypes about gender roles and undermine gender equality.

Courts, federal law, and the public have long connected reproductive freedom with equality.

Reproductive freedom is central to women's equality, for as the Supreme Court said in *Planned Parenthood v. Casey*, "The ability of women to participate equally in the economic and social life of the Nation has been facilitated by their ability to control their reproductive lives."

Americans understand this connection and it is reflected in a January 2019 national poll showing 71 percent of voters agree—48 percent agree strongly—that equal rights for women includes access to reproductive health care.

ALEXA CLAUSSEN

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Alexa Claussen for receiving the Arvada Wheat Ridge Service Ambassadors for Youth award.

Alexa Claussen is a student at Wheat Ridge High School and received this award because her determination and hard work have allowed her to overcome adversities.

The dedication demonstrated by Alexa Claussen is exemplary of the type of achievement that can be attained with hard work and perseverance. It is essential students at all levels strive to make the most of their education and develop a work ethic which will guide them for the rest of their lives.

I extend my deepest congratulations to Alexa Claussen for winning the Arvada Wheat Ridge Service Ambassador for Youth award. I have no doubt she will exhibit the same dedication and character in all of her future accomplishments.

**PROTECTING AMERICAN LUNGS
AND REVERSING THE YOUTH TOBACCO
EPIDEMIC ACT (H.R. 2339)**

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Ms. McCOLLUM. Madam Speaker, I rise in support of H.R. 2339, the Protecting American Lungs and Reversing the Youth Tobacco Epidemic Act.

After years of declining smoking rates in the United States, the introduction of e-cigarettes has caused an alarming uptick in the rate of smoking, particularly amongst younger Americans. According to the U.S. Surgeon General, more than 5.3 million middle school and high school students used e-cigarettes in 2019, an alarming increase of more than 3 million in two years.

H.R. 2339 offers a comprehensive approach for how we can reverse the youth vaping epidemic by banning promotion and advertising targeted at kids, taxing e-cigarettes the same way we tax other forms of tobacco, and banning online sales of most tobacco products. More specifically, this bill fulfills the promise that the Trump Administration failed to follow through with by banning all flavors for e-cigarettes and e-liquids for devices that use open-tank systems.

While I support the overall bill, I maintain some concerns with certain provisions within the legislation. Specifically, I am concerned with the effects this flavor ban may have for older Americans that use pipe tobacco and/or hookah. Some of my constituents who have been using the same flavored tobacco for pipes or hookah for decades should not be forced to give up their flavor of preference, especially when statistics indicate that younger Americans are not prone to use these products.

Although I have these various concerns, I am still eager to take on "Big Nicotine" and support the passage of H.R. 2339 to curb

youth tobacco usage. I look forward to fixing any issues my colleagues and I may have when this bill goes to conference with the Senate.

Madam Speaker, I urge my colleagues to vote for Protecting American Lungs and Reversing the Youth Tobacco Epidemic Act.

**TRIBUTE TO WILLIAM "BILL"
FLOYD ON HIS RETIREMENT**

HON. CHELLIE PINGREE

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Ms. PINGREE. Madam Speaker, I am proud to recognize a visionary social justice advocate and leader in my state who is retiring after several decades of working to improve the lives of his fellow citizens.

William ("Bill") Floyd trained as a social worker, held leadership roles in state government, and worked for over three decades to develop housing and provide services for individuals with disabilities, people with very low income, and those experiencing homelessness. His advocacy on behalf of marginalized Mainers is legendary, and in 2015, Bill received the Joseph Brannigan Community Excellence Award in recognition of his work to address the housing and support needs of individuals with mental illness.

His commitment to volunteerism is exemplified by leading and serving on myriad boards, including Mobius, Inc., the Maine Association of Nonprofits, the Northern New England Housing Investment Fund, and the Community Development Advisory Council for the Federal Reserve Bank of Boston. Prior to becoming the Executive Director of the Genesis Fund in 2007, he also served six years on their Board of Directors.

The Genesis Fund, a Certified Community Development Financial Institution, provides innovative financing to create affordable housing and community facilities for underserved people and communities. Under Bill Floyd's leadership, both their assets and loan portfolio have grown by over 600 percent, and they have extended their reach by providing technical assistance to nonprofit organizations across Maine seeking state, federal, and private funding opportunities.

Bill Floyd's leadership at the Genesis Fund has resulted in resources for some of Maine's most vulnerable citizens, including single parents and their children, low-income working families, the elderly, homeless individuals and families, and people with disabilities. Bill knows that the impact of affordable housing on individuals and families is profound and leads to better health, improved student performance, better job opportunities, and increased financial stability and personal security. Further, it transforms entire communities.

Bill Floyd has spent his professional life ensuring that no one in our society be written off. His public service to struggling individuals, families, and communities across Maine has left a legacy, and for that I thank him wholeheartedly and wish him all the best in his retirement.

HON. JIM BANKS

OF INDIANA

Hoosiers in my hometown of Columbia City and throughout Whitley County owe a great debt of gratitude to Jon for ushering our region into a more prosperous future, and we wish him the very best as he retires from his post as president of Whitley County Economic Development Corporation (EDC).

Under Jon's leadership, the Whitley County EDC has flourished. Monday, March 9, 2020

Mr. SCHIFF. Madam Speaker, I rise today to honor Jeffrey Herr, who is retiring from the City of Los Angeles as Curator of the Hollyhock House in Barnsdall Park, Los Angeles and Curator of The Watts Towers in Los Angeles.

For more than three decades, Mr. Herr has dedicated his career to the preservation, appreciation, management and creation of the arts. From his early years as an intern at the Los Angeles County Museum of Art (LACMA) to his present position as Curator of two notable institutions, Jeffrey has had a significant impact on the historic, arts and cultural community in Los Angeles.

Following that, he joined the University of California, Los Angeles (UCLA)'s Extension Program, where he created and presented lectures on the American Arts and Crafts movement.

Mr. Herr's long and illustrious career with the City of Los Angeles began in 1990 when he was selected as Curator of the City's Department of Cultural Affairs for three years, arranging exhibitions for galleries such as the gallery in the Hollyhock House and at the Los Angeles Municipal Art Gallery, before moving on to become Arts Manager of the department, where he oversaw a cultural grants program that awarded three million dollars annually to 250 arts organizations and artists. RECOGNIZING HERMAN FLORA FOR OBTAINING THE RANK OF EAGLE SCOUT

HON. WM. LACY CLAY

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. CLAY. Madam Speaker, in the midst of racial segregation in the 1950s, many Black Americans were forced to forego opportunities and achievements they rightfully earned and deserved. One such instance was finally made right this past February when Herman Flora was recognized with the long-awaited honor of becoming an Eagle Scout.

Mr. Flora joined the Boy Scouts when he was a child in 1943. Unfortunately, he was prevented from becoming an Eagle Scout because he lived in a Virginia community where Blacks were routinely barred from public swimming pools, which thereby prevented him from earning the swimming merit badge that was required of all Eagle Scouts.

Mr. Flora did not let that missed opportunity stop him from being active in his community. He remained committed to the lessons he learned during his time as a Boy Scout. He continued to engage in community service, pursued higher education, and went on to enlist in the U.S. Army before graduating from Howard University.

Stories such as Mr. Flora's must be recognized and honored for how they shed light on our history, and the individuals who have overcome and prospered in the face of systemic racism.

CONGRATULATING JOE SAMUELS ON HIS RETIREMENT

HON. BILL HUIZENGA

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. HUIZENGA. Madam Speaker, I rise today to recognize the exemplary career of Joe Samuels, a pivotal member of the West Michigan Steelcase security team. I would like to express my appreciation to Mr. Samuels for over 33 years of dedicated service to Steelcase.

Mr. Samuels' distinguished career at Steelcase began on August 11, 1986. Beginning in the Panel plant, he later continued his faithful work in both Systems 1 and Systems 2 in Materials and Paint. In 2004, Mr. Samuels transitioned to the security team and obtained his Emergency Medical Technician license. Since that time, he has diligently covered both Steelcase's Global Security Operations Center and its Grand Rapids Field Operations.

Outside of work, Mr. Samuels is a dedicated and proud father of three—one of whom works alongside him in Steelcase Security. In 2018, in an incredible demonstration of his selfless character and his love for his children, Mr. Samuels donated one of his kidneys to his son. Having recovered well from the surgery, he looks forward to spending his well-earned retirement with his children and three grandchildren.

It is because of the faithful hard work, sacrifice, and dedication of community members such as Joe Samuels that I am especially proud to serve Michigan's 2nd Congressional District. Madam Speaker, I would like to again formally congratulate Mr. Samuels on his well-deserved retirement.

JUNE MEDICAL SERVICES V. RUSSO

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Ms. SCHAKOWSKY. Madam Speaker, I rise to remind my colleagues of what is at stake at the Supreme Court in the coming weeks.

Yesterday, the Court began to hear arguments in a major abortion rights case, June Medical Services v. Russo.

If the Louisiana law in question goes into effect, only one clinic remains in the entire state.

Only one physician would continue to provide abortions to the 10,000 women in Louisiana who sought them every year.

That outcome would deny thousands of women in Louisiana their constitutional protection, the protected rights to access abortion care.

In 2016, the Court already decided that an identical case was unconstitutional.

But since President Trump has added two conservative justices to the Supreme Court,

it's more important than ever for us to speak out about what is at stake.

I'm proud to do that today.

ABIGAIL TROSTLER

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Abigail Trostler for receiving the Arvada Wheat Ridge Service Ambassadors for Youth award.

IN THE HOUSE OF REPRESENTATIVES

Monday, March 9, 2020

Ms. ESHOO. Madam Speaker, I rise today to honor the life of an extraordinary American, Robert L. Dehn, affectionately known to all as Bob.

Bob was born on November 6, 1941, and passed away on January 23, 2020, after a brief illness. He was the son of Leslie and Lorna Dehn of Albany, California, growing up in Albany and Berkeley. He graduated from UC Berkeley with a degree in chemistry.

His first position at SRI was as a pharmaceutical chemist, and later, after earning an MBA from Santa Clara University, he moved to marketing and business development. Bob Dehn spent his entire career at SRI and it was there that he met his wife of 52 years, Fran McGroary. He is survived by Fran and their daughter, Elizabeth and son Peter, and their grandsons Oliver, Byron and Zac, and his sister Marlene.

Fran and Bob have been known and respected throughout the Menlo Park Community for their countless contributions. Both have given generously of their time and considerable talents in service to others. Bob served on the Menlo Park Library Commission for 11 years, and helped engineer the passage of a bond measure that provided funding for renovating the main library in 1992. He volunteered extensively at Church of the Nativity and its Nativity School. Bob was a man of

deep faith and he gave his time to St. Anthony's Padua Dining Room, serving as volunteer coordinator, cook's assistant and fundraising director.

Madam Speaker, I ask the entire House of Representatives to join me in honoring the extraordinary life of Bob Dehn and in extending our condolences to his wife and his entire family. We are a better community and a stronger country because of all that Bob did for so many.
